Subject: Regarding scholarships and admission to M.Sc. in Rehabilitation Science (7<sup>th</sup> batch; July 2023 intake) under SAARC Development Fund (SDF) funded project at BHPI, CRP, Bangladesh.

Dear Sir,

We are happy to inform you that applications for scholarship and admission to seventh batch of M.Sc. in Rehabilitation Science (July 2023 intake), under phase II (2022-2027) of the SDF funded project "Regional Inter-professional Master's program in Rehabilitation Science", from the SAARC Member States are now being invited. There are 15 seats for admission with scholarships for international students (SAARC Member Countries except Bangladesh) and 12 scholarships for students from Bangladesh.

Hard copies of applications with necessary documents (Annex-I) from the international students are required to be received through Bangladesh Embassies in the SAARC countries; which needs to be received by Directorate General of Medical Education, Medical Education and Family Welfare Division of Ministry of Health and Family Welfare through the Ministry of Foreign Affairs, People's Republic of Bangladesh for their eligibility academic qualification equivalency confirmation. Consequently, CRP-BHPI (Implementing agency of the project) will provide admission and scholarships offers to the confirmed students. It is worth mentioning that Ministry of Health & Family Welfare is already informed in this regard.

Therefore, we are requesting you for following support:

- Dissemination of "Advertisement of admission for International students- 2023" (attached herewith) through proper channel (including the web pages and/or the Facebook pages of Bangladesh missions in the SAARC Member States)
- Taking necessary actions to receive applications from the candidates of SAARC member states by Bangladesh missions in respective countries and forwarding the same to the Ministry of Health and Family Welfare (Medical Education and Family Welfare Division).

We, therefore, look forward to having your help, guidance and necessary actions regarding enrollment of international students into this wonderful master's program designed to create health professionals to serve people with various chronic health conditions and disabilities in the SAARC Member States.

Thanking you,  
Sincerely,

  
Prof. Dr. Md. Omar Ali Sarker  
Principal  
BHPI, CRP, Savar, Dhaka.
